

**JUNIOR HIGH BIBLE STUDY**

July 2018

Dear Parents and Students,

Thank you for your interest in Junior High Bible Study! This year we will be exploring the Gospel of Matthew, *T3: Matthew – Thy Kingdom Come*, published by Ascension Press, presented by Mark Hart, the “Bible Geek.” Mark does a great job communicating God’s message of salvation in a language our students can relate to. Our children are immersed in the digital culture. As parents and educators, we face the daunting task of keeping up with the demands of new technology and ever changing digital language. We should make intentional efforts to interact with our children on this level. T3 seeks to bridge the language gap for junior high school students in association with God’s Word.

We look forward to an exciting year filled with many encounters of the divine kind! ☺

Listed below is the schedule of meeting dates for the year. These dates may change in the event of inclement weather or unforeseen conflicting parish events. Please provide your e-mail address and cell number; these will be our primary means of communication. Be sure to **like us on Facebook**: [St. Augustine/St. Joseph Youth Ministry](#), for meeting updates and reminders.
