

ST. AUGUSTINE/ST. JOSEPH HIGH SCHOOL DISCIPLINE POLICY

Below are a few simple rules and regulations that are required for High School CCD classes. All classes are held at the St. Augustine/St. Joseph Parish Center and in respect to the Catechists who so generously give of their time and to the parishes who support through generous donations, the following will be expected:

Please park in the church parking lot in the spaces provided. No parking will be permitted in any other areas. When classes are dismissed at 11:00 am - please be careful exiting the parking lot - the 10:00 am Mass will be leaving the parking lot at the same time.

We will congregate in the main lobby area where donuts will be provided. At 9:45 am you will be directed to your classroom. No students are to be in their classroom until the catechist is present.

No food or drinks are permitted in the classrooms. So, if you want something to eat or drink, please do so before you come to class.

Anyone caught marking up desks, walls or any kind of destructive act to church property will be held responsible. Arrangements will be made to fix any damaged property at your expense.

The past few years we had a problem with tardiness. **Class begins at 9:45 a.m.** Please be on time. Respect the time your teachers put into preparing the materials to be covered in a class. Latecomers really disrupt a class. Students who habitually come in late will be required to stay after class the same time as they are tardy.

No student will be allowed to disrupt the class or interfere with the rights of other students to learn and grow in their faith.

I agree to follow these simple rules. I understand that if I habitually disrespect these rules I will be asked to leave the classroom and will not be permitted back into the class until, in the presence of my parents, I can agree to follow the rules. Please refer to the St. Augustine/St. Joseph Religious Education Handbook, page 6 for further information.
